Physical Teacher Training Programme – December 2024

A comprehensive full-day Physical Teacher Training Programme was conducted across the network to equip teachers for the challenges of the upcoming 2nd Term.

The training comprised two separate sessions:

- **Western Province** : Held on 17th December
- **Southern Province**: Held on 20th December

Both sessions were facilitated by two expert resource persons. The 620 participating teachers were grouped based on the classes they teach: Playgroup to Primary 2, and Primary 3 upwards.

- **Prof. Malini Munasinghe**, former Head of the Faculty of Early Childhood and Primary Education at OUSL, led an engaging session for teachers of Playgroup to Primary 2.
- **Mr. Chandana Fernando**, Senior Lecturer at OUSL, conducted a separate session for teachers handling Primary 3 and higher grades.

The programme successfully provided tailored insights and practical strategies, making it a highly productive and impactful experience for all participants.

Cleanliness and Environmental Awareness

Leeds International Preschool, Malabe, proudly joined the Cleanliness Day, demonstrating its commitment to fostering a clean and healthy environment.

Students and teachers actively participated in activities promoting cleanliness and environmental awareness. The children enthusiastically engaged in tidying up their surroundings, learning the importance of maintaining a clean space and the value of teamwork in achieving common goals.

This event was a wonderful opportunity to instill good habits and environmental responsibility in our young learners, aiming to nurture mindful and responsible citizens of tomorrow.

Leeds Panadura and Lakeland Inter-American came together for Global Leadership Conference

Model United Nations (MUN) is a dynamic simulation of the UN that empowers students to debate global issues and craft resolutions while honing diplomacy, critical thinking, and public speaking skills. Leeds International School Panadura hosted a highly successful MUN Joint Mock Conference with Lakeland Inter-American School, fostering collaboration and intellectual exchange.

Delegates from both schools participated in well-structured sessions that encouraged research, negotiation, and teamwork. The conference provided a platform for students to address pressing international topics, build confidence in leadership roles, and forge lasting connections. It was a day filled with thoughtful debates, innovative solutions, and a shared commitment to understanding global challenges.
