SCHOOL SONG

O school of mine, do guide me to my future in this land
With all my brothers and my sisters I'll come hand in hand.
Teach me to love, teach me to share, teach me to understand
That learning will enlighten me to care for fellow man.

Give me hope and courage too
For goodness, justice to pursue
From now on will I try to do
My very best I promise you.

O Leeds, Leeds come lead the way, come show us what is right
For righteousness we'll stand up and work hard with all our might
Sing glory to you, glory to you, glory to your light
That shines above us through our journey to the good and bright

Greatness is not hard to find
If knowledge travels right behind
Race or class of any kind
Nor language will it ever mind

O school of ours, rise to the fore and hear us sing our song;
We know you won't forsake us in your power oh so strong
Be true and fair, uphold your dreams, together let's go on
And may your name, your shining light and glory to live long!

Music & Lyrics: Avanthi Perera

Welcome

I wish you a warm welcome to Leeds International School and I am delighted to introduce our prospectus. Leeds is a very well-regarded, high achieving and popular school located across 16 major cities in Sri Lanka

Our motto "*Strive for Excellence*" acts as our ethos, the vision and mission sets the framework for all our activities and the school song depicts how the school guides and develops our children to be individuals of strong and good character.

At Leeds, we provide a foundation for life in a happy, high achieving school, where all individuals have high expectations of themselves, respect each other and strive to excel. We are extremely proud of our students' outstanding achievements in all walks of life.

The school offers a wide range of experiences based on a progressive curriculum, extra-curricular activities and involvement with the wider community. Our students get many opportunities to work with our branch schools thus providing a greater platform to perform and flourish.

I hope that both children of Leeds and their parents will come to regard the years spent here to have been enjoyable, valuable, purposeful and productive.

I would like to thank you for your interest in Leeds International School and invite you to visit our school. You will be most welcome.

Best wishes,
Deshamanya Dr. Sarath Jayatissa
Chairman

About Leeds Network of Schools

Leeds International School Network is celebrating 25 years of education excellence.

Leeds International School is a fully-fledged private, fee levying and a K12 co-educational school network operating across major cities in Sri Lanka with English as the primary medium of instruction in teaching and learning.

The main school in Panadura was inaugurated on 23rd August 1999 and later, fifteen more branches were established in Matara, Galle, Horana, Ambalangoda, Matugama, Tangalle, Piliyandala, Negombo, Maharagama, Bandaragama, Malabe, Homagama, Tissamaharama, Maggona and a premium preschool and daycare in Boralesgamuwa.

Leeds has been providing education for 25 years to over 15000 students following both London and National curriculum. The Nursery section caters for the age range of 2 ½ - 5 years. Classes are conducted from Grade 1 to 13 serving the 5 – 18 years age groups. The school prepares students mainly for Edexcel IGCSE and IAL Examinations. For those who wish to follow the National curriculum in the English medium, provision is made from Grade 9 up to A Levels in some branches.

As per our motto “Strive for Excellence”, the school maintains and continually develops high standards in academics and discipline.

The school boasts modern amenities, including laboratories, a computer lab, language and religion rooms, a well-equipped library, sports facilities and dedicated spaces for music and dancing. These facilities contribute to a holistic and enriching educational experience. Continuous dialogue with parents, common mid and term examinations for all branches and ongoing student evaluations and support, help maintain standards.

The school campus is spacious and well maintained. A pleasant, friendly atmosphere makes school a happy and enjoyable experience for students. It is, total personality development that the school aims at, in preparing students to meet challenges in life with confidence. Leeds International School is an Authorised Exam Centre for Cambridge English qualifications where a range of options are available for students pursuing a globally accepted English certificate.

In keeping with the multi ethnic and multi-cultural nature of the country, students of different nationalities and religions, study together in friendship, learning to understand and appreciate each other's culture and religions.

Leeds Higher Education & Career Guidance Unit is a service provided to the students of Leeds International School to prepare them for life after school, supporting and guiding students with their university placements and future careers.

Selection Criteria

Pre School – Pre School/Early Childhood diploma holders

Primary – Primary diploma holders or graduates

Grade 6 upwards – Graduates (degree holders and above)

Our teachers are often selected with proven prior experience in teaching to the respective classes. We give prominence for individuals who are smart, driven, child-oriented and are passionate about teaching. In our schools we maintain a 1 : 10 ratio of students and teachers, with over 700 staff members in total.

The higher education wing of Leeds, “Leeds Campus of Business and Technology” offers Teacher Education programmes to groom and train after A Level students and those interested in becoming teachers. These programmes have been conducted since September 2012 and over 38 batches since. With the best candidates who were absorbed into our schools, they have been capable of maintaining and uplifting the high educational standards in our schools.

Leeds International School - Panadura

Leeds International School Panadura was established on September 6th 1999 at No.105, Athur V. Dias Mawatha by Founder Director and Chairman, Deshamanya Dr. Sarath Jayatissa and Founder Principal, Mrs. M.N. Edussuriya,

Over the past 25 years, the school has provided a solid foundation for over 5000 students offering both London and National curriculums.

What began with a modest 32 students and 11 teachers has evolved into a leading educational institution. The school, which initially started in Athur V. Dias Mawatha moved to its present premises in Pinwatta in 2013. The relocation marked a significant turning point, allowing Leeds to expand its facilities and offerings.

The school boasts modern amenities, including laboratories, a computer lab, a well-equipped library. Sports enthusiasts can enjoy facilities such as a swimming pool and badminton courts. Swimming, badminton, karate, chess, and athletics have enabled students to compete at the national level. Miss Purnima Jayamali and Miss Ginuki Tharulya represented Sri Lanka in athletics and swimming.

A wide range of co-curricular activities are made available for balanced personality development, such as media unit, literature and drama clubs, field trips, community projects, annual concerts and other activities.

At present, Leeds Panadura has nearly 1000 students from Play Group to A/L classes, following both the National and Edexcel curricular.

Leeds International School - Matara

In the year 2000, the Leeds made its first step towards branching out and launched Matara as the first branch school, with six teachers under the guidance of the first principal, Mr. W.A. Gunasekara. Present day the school has become an institution which provides quality English medium education from Play Group to Edexcel Advanced Level for over thousands of students and students have shown remarkable achievements in Pearson Edexcel High Achievers Award Ceremonies.

The school is much equipped with ICT lab, Science lab and library. The students are given the opportunity to participate in many sports such as karate, badminton, swimming, chess and athletics that produce international-level winners. Master Dineth Weeraratne has been selected for the Sri Lanka Athletics National Junior Pool in 2024 and won a silver medal at the 21st Asian Under 20 Athletic Championship in Dubai, UAE as part of the 4x100m relay team.

Further the school has many extra-curricular activities through the media unit and Literary Association which children enjoy taking part.

Leeds International School - Galle

Leeds International School Galle began on the 13th of September 2000 welcoming 38 students at 270 Wakwalla Road, Galle.
